Chairman  
U. S. Civil Service Commission  
Washington, D. C.

Dear Sir:

Reference is made to Departmental Circular No. 742 requesting a statistical report on the operations of the employee security program.

This Agency has previously reported on Standard Form 77 for the period covering 27 May 1953 to 30 September 1953 and the Standard Form 77 for the period covering 1 October 1953 to 31 December 1953 that it had no resignations under Section 7(a). This action was based on a strict interpretation of Form 77 that cases in this category were in the process of formal action under the procedures of Executive Order 10450.

25X1A9a

This interpretation was discussed on 24 February 1954 by [redacted] Deputy Director of Security of this Agency, with Mr. John W. Haoy, Jr., of the Civil Service Commission. It was determined that the intent of Section 7(a) was for the Agency to report all resignations of individuals where information was developed pertaining to Section 8(a) of Executive Order 10450, whether or not formal action was taken in accordance with the designated procedures.

25X1A9a

Accordingly, this Agency is amending its statistics covering the period from 27 May 1953 to 31 December 1953 to include under Section 7(a) a total of 47 resignations which occurred before any formal action was taken. There are attached two amended Standard Forms 77 covering this period.

With specific reference to Departmental Circular 742, Item (1), there was one involuntary separation during the stated period. Under Item (2) there were 47 resignations. The 48 cases comprising Items (1) and (2) are categorized as follows:
